Certificate

Dermatest GmbH confirms hereby that the Cosmetic product

SYNERGETIC Natural Facial Mattifying Mask

was evaluated for skin tolerability by means of open epicutaneous testing on 30 subjects with sensitive skin under the control of dermatological specialists and according to international guidelines.

Study number 2310170821

No relevant skin reactions were detected in the test area following a single product application.

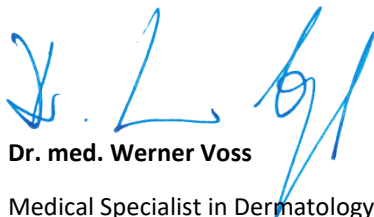

Therefore, from a clinical-dermatological point of view, the product was tolerated

„excellently“

and can be declared as **„dermatologically tested“**.

Based on the study design and the confirmed skin tolerability, the Dermatest® guaranty seal can be assigned for use for the test product.

The seal contains the month and year (11/2023) of the testing.
